NOTES :

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS BEHALF. THE PROXY SO APPOINTED NEED NOT NECESSARILY BE A MEMBER OF THE COMPANY.**
2. Proxies in order to be effective must be received by the company at the registered office of the company not later than 48 hours before the time fixed for holding the meeting.
3. The Register of Members and Share Transfer Books of the Company will remain closed from 13th September, 2014 to 29th September, 2014 (both days inclusive).
4. Dividend on equity shares as recommended by the Directors for the Financial year ended 31st March, 2014, if declared at this Annual General Meeting will be paid to the shareholders whose names appear:
 - a) as beneficial owners at the end of the business hours on 12th September , 2014 as per the list to be furnished by Depositories in respect of the shares held in the electronic form and
 - b) as members in the Register of Members after giving effect to all valid share transfers in physical form lodged with the Company/ R & T Agent on or before 12th September , 2014.
5. We would like to draw your attention to Circular No. CIR/MRD/DP/10/2013 dated 21st March,2013 ("Circular") issued by Securities and Exchange Board of India (SEBI) , to all listed companies to update bank details of their shareholders holding shares in demat mode and / or physical form , to enable usage of the electronic mode of remittance i.e ECS, NEFT etc., for distributing dividends and other cash benefits to the shareholders.
The circular further states that in cases where either the bank details such as MICR (Magnetic Ink character Recognition), IFSC (Indian Financial Systems code) etc., that are required for making electronic payments are not available or the electronic payment instructions have failed or have been rejected by the Bank, Companies or their Registrars and transfer agents (RTA) may use physical payment instructions for making cash payments to the investors. Companies shall mandatorily print the bank account details of the investors on such payment instruments.
As you are aware payment of dividend and other cash benefits though electronic mode has many advantages like prompt credit, elimination of fraudulent encashment / delay in transit etc.
In case you are holding the company's share(s) in dematerialized form, please contact your depository participant and give suitable instructions to update your bank details in your demat account and to notify any changes with respect to their addresses, e-mail Id and ECS mandate.
In case you are holding company's share in physical form, please inform company's Registrar and Share Transfer Agent by enclosing a photo copy of blank cancelled cheque of your bank account.

7. All communications in respect of share transfers and change in the addresses of the members may be communicated to the Registrar and Share Transfer Agents.
8. Members holding shares in the same name under different Ledger Folios are requested to apply for consolidation of such Folios and send the relevant share certificates to the share Transfer Agent/ Company.
9. Corporate members intending to send their authorised representatives to attend the meeting are requested to send to the company a certified copy of the Board resolution authorizing their representative to attend and vote on their behalf at the meeting.

10. Members seeking any information with regard to accounts are requested to write to the Company at the earliest to facilitate keeping the information ready.
11. Members holding shares in physical form are informed to furnish their bank account details to the RTA to have printed the same on the dividend warrants so as to avoid any possible fraudulent encashment /misuse of dividend warrants by others.
12. Members/Proxies are requested to bring their copies of Annual Report to the meeting. Members/Proxies attending the meeting should bring the attendance slip, which should be duly filled in, signed and handed over at the venue of the meeting.
13. Members who hold shares in physical form can nominate a person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest to avail of the nomination facility. Shareholders desirous of making nominations are requested to send their requests in Form 2B (which will be made available on request) to the Registrar and Transfer Agents, M/s Karvy Computershare Private Limited. Members holding shares in dematerialized form may contact their respective depository participant(s) for recording nomination in respect of their shares.
14. Members are requested to note that pursuant to provisions of Section 124 (1) of the Companies Act, 2013, the dividend remaining unclaimed/ unpaid for a period of seven years from the date of transfer to the unpaid dividend account shall be credited to the "Investors Education and Protection Fund" (IEPF) set up by the Central Government. Members who have so far not claimed dividend are requested to make claim with the Company as no claim shall lie against the Fund or the Company in respect of individual amounts once credited to the said fund. The unclaimed final dividend for the year 2006-07 declared at the AGM held on 29/09/2007 is due for transfer to the IEP Fund on 28/09/2014.

Shareholders who have not so far encashed the dividend warrant (s) are requested to seek issue of duplicate warrant (s)/demand drafts by writing to Company's Registrar and Transfer Agents, M/s Karvy Computershare Private Limited immediately. Shareholders are requested to note that no claims shall lie against the Company or the said Fund in respect of any amounts which are unclaimed and unpaid for a period of 7 (seven) years from the dates they first became due for payment and no payment shall be made in respect of any such claims.

15. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat Accounts. Members holding shares in physical form can submit their PAN details to the company/ RTA.
16. The company has implemented the "Green Initiative" as per Circular Nos. 17/2011 dated April 21, 2011 and 18/2011 dated April 29, 2011 issued by the Ministry of Corporate Affairs (MCA) to enable electronic delivery of notices/ documents and annual reports to shareholders. The email addresses indicated in your respective Depository Participant (DP) accounts are being periodically downloaded from NSDL / CDSL and will be deemed to be your registered email address for serving notices/documents including those covered under section 136 of the companies Act, 2013 (corresponding provisions of section 219 of the Companies Act, 1956). **DIRECTORS' REPORT FOR THE YEAR 2013-14**

Your Directors have pleasure in presenting this 38th Annual Report together with the audited accounts of the Company for the year ended 31st March, 2014.

CAPACITY

This year has been a momentous year in the history of the Company with two of the three trailer suction hopper dredgers, order for which have been placed in 2010-11 - DCI Dredge XX and DCI Dredge -XXI joining the fleet in June 2013 and March 2014 respectively. The first Dredger DCI - DREDGE XIX had joined the fleet in previous financial year in December, 2012.

With the induction of these dredgers your Company will be able to meet the dredging commitments at various ports in an unhindered way as well as enable the Company to take up refurbishment of the existing aged Dredgers so as to enhance their life as well as their efficiency.

In continuation of the steps taken for capacity augmentation, the Company has proposals to purchase two more higher capacity dredgers in 12th Plan 2012-17.

Your Company has placed order for procurement of ancillary crafts - one self propelled hopper barge and one split hopper barge each of 1000 cums hopper capacity and the same are expected to be delivered by end of this calendar year.

Your Company is sure that with the ongoing capacity augmentation, the performance will continue to improve over the years to come.

STATUTORY AUDITORS

M/s G.R.Kumar & Co., Chartered Accountants, Visakhapatnam were appointed by the Comptroller and Auditor General of India as Statutory Auditors for auditing the accounts of the Company for the financial year 2013-14. Pursuant to the provisions of the Companies Act the remuneration of the Auditors has to be approved by the Members at the AGM. The Board recommends the remuneration of ₹2.50 lakhs plus service tax as applicable for the year 2013-14 for approval of the Members at this AGM.

INDEPENDENT AUDITOR'S REPORT AND MANAGEMENT REPLY/ COMMENTS TO THE QUALIFICATIONS IN INDEPENDENT AUDITOR'S REPORT

The Independent Auditor's Report on the Accounts for 2013-14 given by the Statutory Auditors is placed along with the Accounts. The Comments of the Comptroller and Auditor General of India on the Accounts for the year ended 31st March, 2014 are placed next to the Statutory Auditor's Report. The Statutory Auditors have in their Report given the following basis for their Qualified Opinion, Disclaimer of Opinion and Emphasis of Matter.

QUOTE

QUALIFIED OPINION:

The Company has not recognized impairment of long-term investments of ₹3,000 lacs (Last year: ₹3,000 lacs) in M/s Sethusamudram Corporation Limited (SCL); which is not in accordance with para 17 of "AS-13 Accounting for Investments" as prescribed under sub-section 3C of section 211 of the Companies Act 1956 read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 ["Act"]. The decline in investment value (other than temporary), is envisaged with reference to Investee's assets and results, prolonged litigation, expected cash flows, restrictions on distributions by Investee or disposal by Investor etc.

The above note was carried by way of a Qualified Opinion for the year ended Mar 31, 2013 whereby it was stated that had such provision as stated in paragraph 4 (a) recognised, the profits of the Company for the year ended 31st March, 2013 and the reserves of the Company as at 31st March, 2013 would have been lower by ₹3,000 lacs; thereby resulting in net loss of ₹949.10 lacs.

Though reported profits for the current year ended March 31, 2014 remains unaffected, yet Shareholders' Funds which stood at ₹1,39,540.61 lacs as at that date would be lower by ₹3,000 lacs.

DISCLAIMER OF OPINION :

Of the Company's fixed assets which are carried in the Balance Sheet, the Company has not provided for impairment loss on Dredger XVIII [book value / carrying amount as on March 31, 2014 ₹21,266.19 lacs] which was acquired in January 2011 but was not in use since Mar 2012 on account of technical defects and design flaws. Non provision of impairment loss is a departure from AS-28 "Impairment of Assets" as prescribed under the Act. Management was unable to provide an Independent Expert's Technical Evaluation Report as also a Valuation Report in order to arrive at the fair value and, consequently, quantify the possible impairment loss of the dredger. As a result, we were unable to quantify the impairment loss in respect of the said asset.

EMPHASIS OF MATTERS:

We draw attention to Note X – "Trade Receivables" to the financial statements which describes the uncertainty as to timing of recovery of debts from M/s Sethusamudram Corporation Ltd. (SCL) amounting to ₹11,433.18 Lakhs in respect of which the Company has not provided for doubtful debts for ₹8,413.91 Lakhs on its trade receivables of ₹11,433.18 Lakhs (Last year : ₹11,878 Lakhs) due from M/s SCL - against which the company had already made a part provision of ₹3,019.27 Lakhs in earlier years. Owing to certain recent developments in its favour, the Company is confident of recovering the receivables from Government, at whose behest the contract with SCL was entered into.

UNQUOTE

THE MANAGEMENT'S REPLY/ COMMENTS TO THE ABOVE QUALIFICATION/ DISCLAIMER/ EMPHASIS OF MATTERS IN THE AUDITOR'S REPORT IS AS UNDER:

a) Reply on Qualified Opinion :-

The Management is of the view that the qualification of the Auditors is unwarranted as Sethusamudram Corporation Limited (SCL) is a Special Purpose Vehicle floated solely for the purpose of the Sethusamudram Ship Channel Project (SSCP) with Central Government as majority shareholder holding 66% of the ₹745 Cr. paid up share capital along with Ports, SCI and DCI. The holding of DCI is ₹30Cr which is only about 4% of the paidup share capital of SCL. There is no private investment. It is incorrect to assume that there is any decline in investment value unless any diminution is recognized as such by the Central Government - the major shareholder. SCL is a continuing entity though the dredging work has been stopped/frozen pending final verdict of the Apex Court. Principles of valuation of Trade investment are not relevant to this investment. Moreover, there has been no decline in the investee's assets and results as SCL's Balance Sheet as on 31/03/2013 showed a positive network of ₹801.02Cr (PY ₹798.97 Cr.). Further SCL has declared a pre-operative surplus of ₹2.05 Cr. for FY 2012-13 in their Annual Report. It is a strategic investment by DCI to grow its business over a long term. Long term investment is to be carried at cost. Unless there are published documents/ financial reports evidencing a decline in the carrying cost, Statutory Auditor's qualification is inappropriate. As per AS 13 it is a Management call to consider or otherwise any decline in the value of the investment. The factual position in this regard is adequately covered in Notes to the Financial Statements 2013-14. The Statutory Auditor have given a qualified opinion on the above issue for the previous year 2012-13 as well which was not accepted by Management. The matter has now been referred to Financial Review Reporting Board of Institute of Chartered Accountants of India by SEBI vide its letter dated 1/4/14 as per the requirements of the Listing Agreement and the final decision is awaited.

b) Reply on Disclaimer of Opinion

The dredger DCI Dr XVIII which had manufacturing defects and as per the provisions of the Contract, the Performance Bank Guarantee has been encashed. The management is on the job to rectify the manufacturing defects. Management is thus confident that the dredger will

become fully operational after repairs. AS 28 does not apply in the given case since rectifiable 'manufacturing defect' cannot be equated to 'physical damage' leading to permanent impairment in the earning capacity of the asset. and as such the independent expert's technical evaluation report as also a valuation report is not required as per AS 28. Therefore, its earning capacity from the continuing use is relevant which has been provided to the Auditor. The value in use computed over the remaining life of the asset is expected to be more than the carrying cost of the asset. Rectifiable defects do not lead to impairment unless otherwise the earning capacity of Asset is reduced in view of the defects. No other indicator as stated in AS 28 is relevant in the given case at this stage. Therefore, there is no impairment loss to be provided under AS 28. As such the disclaimer of opinion is unwarranted.

c) Reply on Emphasis of matters

Pursuant to the company's claims for works executed in Sethu project vide its letter NO.DCI/LEGAL/SSCP/ARBITRATION/2012 dated 06/06/2012, the Ministry constituted a committee vide its letter no PD/26014/2/2006-sethu Vol-IV dated 25/09/2013 to assess the actual amount due to DCI. As per the report the amount payable to DCI worked out to ₹30897 lakhs and the matter is under active consideration of Government. The Company is confident of recovering the receivables.

C&AG COMMENTS

The Comptroller and Auditor General of India has issued "NIL" Comments on the Accounts of the Company for the year ended 31st March, 2014 and the same are placed next to the Statutory Auditor's Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDIAN DREDGING - OUTLOOK & POLICY GUIDELINES

1. India has an extensive coastline of approximately 7517 kilometers. There are 13 Major Ports under the administrative control of the MoS and approximately 187 Non-Major Ports under the administrative control of the Government of India ("GoI") and State Governments and the private ports, strategically located on the world's shipping routes, its long tradition of seafaring with a large pool of trained maritime personnel and its dynamic and rapidly globalizing economy with a vast potential to expand its participation in trade and development. A few such ports are natural harbours with sufficient water depth to handle vessels plying cargo to and from them. Most of the other ports require capital dredging to expand vessel size handling capability and maintenance dredging for maintenance of their existing/expanded capability to berth vessels of different shapes and sizes.

1.1. The Indian dredging market consists primarily of maintenance dredging and capital dredging in addition to a limited amount of inland dredging, beach nourishment and reclamation dredging. We are a very prominent player on account of our expertise in this highly technical and skilled sphere of business.

1.2. As per the report of the Working Group for Ports Sector for 12th Plan, a total quantity of 675.25 MCM and 429.99 MCM had been planned for capital and maintenance dredging respectively for all the ports in the country during the 11th Plan. This quantity includes the dredging to be done for fishing harbours also besides the major and non major ports. Against this targeted plan, only 278.93 MCM and 291.63 CM had been achieved under the capital and maintenance dredging respectively. This constitutes 41.31% and 67.82% against the targeted quantity. The major ports achieved 31.97% of the targeted quantity, the non-major ports achievement was 49.55% in capital dredging work. In maintenance dredging work, the figures are 68.89% and 59.92% respectively. The shortfall in achieving the set target is due to many factors. Delay or failure to takeoff number of port development projects, financial and environmental constraints, the need to carry out engineering studies to assess the quantum of dredging and the type of dredging to be performed, poor response from bidders to undertake the work are some of the reasons attributable to the shortfall. Overall, the ports had done better in achieving the target in maintenance dredging. The non major ports had done better than the major ports in capital dredging work.

2. Dredging requirement for 12th Plan period

The capital dredging requirements for major ports during the 12th plan period stem from the various port projects planned by the major ports. Ports of Kolkata, Paradip, Visakhapatnam, Ennore, Chennai, Tuticorin, Mormugao, Jawaharlal Nehru and Kandla are planning to undertake the capital dredging of quantities more than 10 MCM. The capital dredging quantities in respect of other major ports are less than 10 MCM. The total quantity planned is 221.11 MCM of all the 12 major ports including the requirement for Navy. The projection for maintenance dredging at Major Ports is 404.25 MCM. In total the requirement is 625.36 MCM which is almost at the same level when (92.5%) compared with 676.34 MCM projected for the major ports during 11th Five Year plan. The non major ports have projected a total requirement of 543.61 MCM of which 418.03 MCM is for capital dredging and 128.58 MCM is for maintenance dredging. When compared with the projection of 368.59 MCM and 46.41 MCM respectively for capital and maintenance dredging during 11th Five year plan, there is an increase of nearly 31%. Capital dredging requirement of the State of Orissa, Andhra Pradesh and Gujarat constitute 57.8% of total capital dredging due to development of Gopalpur and Dhamra ports in Orissa, development of Machilipatnam, Krishnapatnam, Kakinada and Gangavaram ports in Andhra Pradesh, and development of Hazira port in Gujarat state.

3. The 12th plan dredging requirements, if achieved, will enable all the Major Ports (except Kolkata) and non-Major Ports to handle the vessels with 14 meters draft at the end of 12th plan period. In case transloading facilities installed at sandheads by Kolkata Port, then Kolkata Port can also handle 14 m draft vessels.

4. The Ministry during the year formulated the Maritime Agenda 2020 which is the perspective plan of the Ministry for this decade. It identifies the priority areas for Government intervention and is a road map for creation and upgradation of infrastructure in the Ports and also for augmentation of Indian tonnage in the shipping sector. The document says that Shipping lines have been representing time and again that port charges at Indian Ports are very high as compared to other comparable International Ports. As a matter of fact, vessel related charges are perhaps higher than some of the International Ports whereas cargo related charges are much lower in some Indian Ports in comparison to ports abroad. The document says that if Vessel related charges alone are taken, the reasons for higher charges are mainly two: (1) higher cost of dredging in certain ports, requiring perennial dredging and (2) lack of subsidy on the part of Government. In many parts of the world, some part of dredging (at least Capital) is funded by Provincial Governments or Federal Governments. If the same approach is adopted by Central Government or State Governments, the vessel related charges also could be brought to the reasonable levels. The document says that Major Ports in India have drawn up some ambitious expansion plans during the next decade including several dredging major dredging projects by some ports, thereby intending to create substantial additional capacity. The dredging projects are mainly for deepening of channels, enhancing the available draft at berths or for construction of more berths.

5. DCI participates in the open competitive bids for dredging issued by major ports as per the dredging policy guidelines issued by Ministry of Shipping. DCI has secured the dredging project for Kandla port on open tender basis. Further, as per the dredging policy, Government of India reserves the right to assign in public interest any contract for dredging work in any of the major ports on nomination.

6. The addition of the dredgers XIX and XX to the fleet in December, 2012 and July, 2013 and XXI in March, 2014 has augmented the capacity of the Company. With the entry of global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCI to quote competitively. This has put the financials of the Company under severe strain along with the increase in operational costs.

8. OUR COMPETITIVE STRENGTHS

We believe that we are well -positioned to maintain and enhance our leadership position in the Indian dredging market, on account of our competitive strengths, which include the following:

Premier and the only PSU dredging company in India

We are a premier and the only PSU dredging company in India. We are also the preferred dredging company for Major Ports and the Indian Navy. We have been in this business since 1976 and have been catering to the dredging requirements of the major ports/ Indian Navy since then. Owing to the long association with the Major Ports, our Company is the most preferred company for dredging requirements of most of the Major Ports and the Indian Navy.

Flexible portfolio of dredging assets

Our Company operates a diverse dredging fleet which is the largest in India in terms of capacity. The size, versatility and technical capabilities of our fleet improves its competitiveness as it generally permits our Company to select the appropriate equipment for a particular maintenance dredging job. To maintain the value and effectiveness of fleet, the Company emphasizes preventive maintenance so as to reduce the downtime, increase profitability, enhance the vessel life.

Strong relationships with Customers

Our Company caters to the dredging requirements of the Major Ports and the Indian Navy right from its inception in 1976 and has a better understanding of the dredging requirements of the Indian Ports. Our Company is the leader in maintenance dredging in India through its combination of usage of advanced equipment and experience. Our Company believes that its size as the largest dredging company in India and its extensive experience significantly enhanced its ability to profitably bid for and complete the contracts awarded to it.

Experienced management team

Our Company's senior managers have vast experience in the dredging and maritime industries. Our Company believes that this experience provides the Company with a significant advantage over its competitors. The Company's floating personnel who manage the dredgers and the management team who give the support services are well trained professionals having vast experience in the dredging and maritime industries

9. OUR STRATEGIES

We intend to increase income from operations and strengthen our domestic and international competitive position by expanding our operations in both our traditional and new dredging services and adopting a pro-active marketing strategy for our domestic and foreign operations. We aim to achieve our mission by pursuing the following business strategies:

Enhancement of market share in maintenance dredging and more participation in capital dredging in India

With the addition of the two new dredgers in December 2012 and July 2013 respectively and third dredger in March 2014 respectively of higher capacity, our Company expects to maintain its domestic leadership position in maintenance dredging by becoming more customer-focused and tailoring marketing initiatives that differentiate between specific groups of customers. In particular, it is consolidating its relationships with the Major Ports and developing marketing efforts aimed at non-Major Ports and new private port developers in India. Also at present company is undertaking Capital dredging assignment at Ennore Port and Kandla Port. We plan to undertake more such assignments subject to the availability of the fleet.

Making forays in foreign dredging market

Apart from consolidation in the Indian dredging market, we have plans to make forays in the foreign dredging market. During the financial year 2013-14, we have undertaken international dredging assignment at Kankasanturai harbour, Sri Lanka under the aegis of Ministry of External Affairs, GOI as per a bilateral arrangement with the Government of Sri Lanka.

Enhancement of the fleet capability

In continuation of the efforts to sustain the existing capacity for which orders were placed for three dredgers meant as replacement of existing aged dredgers, our Company plans to procure two higher hopper capacity 9000 cubic meters trailer suction hopper dredgers in the twelfth plan. Our Company also plans to refurbish the existing aged dredgers during the current plan period so as to increase their effectiveness and enhance their economic life.

Reducing operational costs

Our Company proposes to reduce its operational costs by refurbishing the existing aged dredgers. Further, in addition to its capacity utilization initiatives discussed above, our Company also intends to reduce operational costs by focusing on fuel efficiency in ship operations and ship procurement and further streamlining the spare parts procurement systems. Our Company also proposes to have tie-ups with ship repair yards for continued maintenance of our vessels for a period of time so as to make available the dredgers for a guaranteed minimum number of days every year.

Strategic alliances through long term contracts with major ports

Our Company proposes to have strategic alliances with major ports on similar terms with the Kolkata Port at present. This will ensure assured business for the Company and enable the Company to plan in advance regarding the deployment of the vessels. The Company is also having discussion with some Ports to part finance the proposed new acquisitions.

Optimize capacity utilization

Our Company intends to continue to optimize its capacity utilization by continuous project monitoring and review, reducing equipment downtime through preventive maintenance and working with repair yards to accelerate dry dock repair periods, and increasing computerization, including introducing online connectivity between dredgers, projects and the head office. Our Company also intends to continue to invest in quality pre-dredging surveys and equipment and continue to invest in repairs and maintenance. Through a renewed focus on training, our Company intends to introduce specific project planning and management initiatives to educate its staff to identify and develop new market opportunities. Our Company believes in the introduction of best practices in procurement, costing and working capital management, along with the introduction of tailored human resources practices, participatory management and new technologies, which will create new competencies in its organization and add value for its dredging customers.

10. THREATS

The Company perceives the following threats

- i Increasing foreign competition.
- ii Increasing competition from Indian dredging companies.
- iii Frequent and expensive repairs to dredgers due to ageing.

11. INDIAN DREDGING MARKET OUTLOOK

While the consistent maintenance dredging requirements at the major ports are expected to continue, increasing private sector participation in port development and related capital dredging activity is expected. At the same time, the dynamics in the Indian market are rapidly changing. The key changes taking place include changes in customer profile for dredging companies from Government to private sector developers, changes in payment patterns for dredging work with stringent performance parameters the expansion of Indian port capacity and increasing participation of international companies in the Indian dredging market. Other developments include:

- i Deeper draught requirements of Indian Ports.
- ii Tourism development and increasing need for beach nourishment.
- iii Land reclamation for low lying areas.

DCI's customers include Major Ports under the administrative control of the Ministry of Shipping, Non-Major Ports under the administrative control of the GoI and State Governments, private ports, the Indian Navy and shipyards. The Indian dredging market is primarily maintenance dredging-oriented. However, some capital dredging projects are also in the offing. DCI has already secured the Ennore Capital dredging project on tender basis.

12. RISKS AND CONCERNS

The foreign exchange variations may cause a dent in the cash flows apart from effecting the results of the Company due to the debt service obligations in foreign exchange.

13. INITIATIVES TAKEN/FUTURE PLANS OF THE COMPANY

Keeping the various developments in the dredging industry in view, your Company has initiated action in several areas, including:

- i Consolidation of share in maintenance dredging in India
- ii More participation in capital dredging – acquiring necessary skills, training company personnel, acquiring/chartering dredgers.
- iii Acquisition of dredgers with fuel efficient design and advanced technology, fitted with sophisticated and state-of-the-art technology.
- iv Reducing operational costs - Focusing on fuel efficiency in ship operations, streamlining spare parts procurement systems.
- v Close monitoring of repairs.

14. PLAN PROJECTIONS

The following are the Plan projections for the 12th Plan:-

- i Two Nos. New TSHDs

In line with DCI's strategy to augment its available capacity, it is proposed to acquire 2 Nos New TSHDs capacity at an estimated cost of ₹1300 Cr. INDEPENDENT AUDITORS' REPORT

To
The Members,
DREDGING CORPORATION OF INDIA LIMITED,
VISAKHAPATNAM

1. Report on the Financial Statements

We have audited the accompanying financial statements of Dredging Corporation of India Limited ('the Company') which comprise the Balance Sheet as at March 31, 2014, the Statement of Profit and Loss and the Cash Flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") read with the General circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit modified audit opinion (Qualified opinion & Disclaimer of opinion).

4. Opinion

I. Basis for Qualified Opinion:

We draw attention to the Note VI to the financial statements wherein the company has not recognized impairment of long-term investments of ₹3,000 lacs (Last year: ₹ 3,000 lacs) in M/s Sethusamudram Corporation Limited (SCL); which is not in accordance with para 17 of "AS-13 Accounting for Investments" as prescribed under sub-section 3C of the section 211 of the companies Act 1956 read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013["Act"]. The decline in investment value (other than temporary), is envisaged with reference to Investee's assets and results, prolonged litigation, expected cash flows, restrictions on distributions by investee or disposal by Investor etc.

The above note was carried by way of Qualified Opinion for the year ended Mar31,2013 whereby it was stated that had such provision as stated in paragraph 4(a) been recognized, the profits of the company for the year ended 31st March 2013 and the reserves of the company as 31st March 2013 would have been lower by ₹3,000 lakhs; thereby resulting in net loss of ₹ 949.10 Lakhs for the year ending March31, 2013.

Though reported profits for the current year ended March31, 2014 remains unaffected, yet Shareholders' Funds which stood at ₹1,39,540.61 lacs as at that date would be lower by ₹3,000 lacs.

Qualified Opinion:

In our opinion, and to the best of our information and according to the explanations given to us, subject to the effect of our remark in paragraph 4(I) in respect of the corresponding figures for the year ended March 31, 2013 of the adjustments, if any, to the results of operations for the year ended March 31, 2013 and to the state of affairs as on that date, the said financial statements read together with the other notes thereon give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i. in the case of the balance sheet, of the state of affairs of the Company as at March 31, 2014;
- ii. in the case of the statement of profit and loss, of the profit for the year ended on that date; and
- iii. in the case of the cash flow statement, of the cash flows for the year ended on that date.

II Basis of Disclaimer of Opinion:

Of the company's fixed assets which are carried in the balance sheet, the company has not provided for impairment loss on Dredger XVIII [book value / carrying amount as on March 31, 2014: ₹21,266.19 lacs] which was acquired in January 2011 but was not in use since March 2012 on account of technical defects and design flaws. Non provision of impairment loss is a departure from AS-28 "Impairment of Assets" as prescribed under the Act. Management was unable to provide an Independent Expert's Technical Evaluation Report as also, a valuation Report in order to arrive at the fair value and, consequently, quantify the possible impairment loss of the dredger. As a result, we were unable to quantify the impairment loss in respect of the said asset.

Disclaimer of Opinion:

Because of the significance of the matters described in the basis for Disclaimer of Opinion paragraph, we have not been able to obtain

sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the said matter.

III. Emphasis of Matters:

We draw attention to note X - "Trade Receivables" to the financial statements which describes the Uncertainty a to timing of recovery of debts from M/s Sethusamudram Corporation Ltd.(SCL) amounting to Rs. 11,433.18 lakhs in respect of which the company has not provided for doubtful debts for Rs. 8,413.91 lakhs on its trade receivables of Rs. 11,433.18 Lakhs (Last year : Rs. 11,878 Lakhs) due from M/s SCL - against which the company had already made a part provision of Rs. 3,019.27 lakhs in earlier years. Owing to certain recent developments in its favour, the company is confident of recovering the receivables from Government, at whose behest the contract with SCL was entered into.

We do not offer a qualified opinion in respect of the above matter.

5. Report on Other Legal and Regulatory Requirements

- i) As required by the Companies (Auditor's Report) Order, 2003 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- ii) As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, subject to our remark in paragraph 4(I) & 4 (II) above, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in the Act; and
 - e. the provisions of Section 274(1)(g) of the Companies Act, 1956 are not applicable to this Company vide number 2/5/2001- CL-V: General Circular No.8/2002 dated 22-03-2002 issued by Ministry of Law, Justice and Company Affairs, Department of Company Affairs.

ANNEXURE TO INDEPENDENT AUDITORS' REPORT

Referred to in Paragraph 1 under the heading of "Report on other Legal and Regulatory requirements" of our report of even date

(i) In respect of its fixed assets:

- (a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets by which fixed assets are verified in a phased manner. Accordingly, certain fixed assets have been verified during the year and as informed to us, no material discrepancies were noticed on such verification.
- (c) The Company has not disposed off substantial part of the fixed assets during the year and the going concern status of the Company is not affected.

(ii) In respect of its inventories:

- (a) Physical verification of inventory has been conducted by the management at reasonable intervals during the year; except in case of Stock of stores/spares-in-transit.
- (b) In respect of procedure of physical verification of Stock of stores / spares-in-transit followed by the management, the same needs substantial improvement, which should commensurate with the size of the Company and the nature of its business.
- (c) Except in case of stock of stores/spares-in-transit, the Company has maintained proper records of Inventory; and as informed to us, no material discrepancies were noticed on physical verification as compared to the book records.

(iii) In respect of loans granted and taken to / from parties covered in the register maintained u/s 301 of the Companies Act, 1956 ("the Act")

- (a) The company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained u/s 301 of the Act.
- (b) The company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Act.

(iv) In respect of internal control

In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for sale

of goods and services. However, our test checks revealed weaknesses in the internal control system which requires that substantial improvement viz. omission of entries, lack of checks/controls to prevent omission/duplication of entries, delay in quarterly provisions etc.

(v) In respect of contracts or arrangements need to be entered into a register maintained u/s 301 of the Act.

According to the information and explanations given to us, there were no contracts or arrangements referred to in Section 301 of the Act that need to be entered into the Register required to be maintained in pursuance of Section 301 of the Act. In view of the above, clause 4(v)(b) is not applicable.

(vi) In respect of deposits from public

The Company has not accepted any deposits from the public during the year.

(vii) In respect of internal audit system:

In our opinion, although the company has an internal audit system commensurate with its size and nature of its business; yet the same needs to be transformed from a transaction-based audit into risk-based audit and focus on internal controls, risk assessment, risk mitigation plans etc. Further, it was observed that, Management, in majority of cases, has neither furnished replies to audit queries/findings nor has initiated any action on them.

(viii) In respect of maintenance of cost records

To the best of our knowledge, the Central Government has not prescribed maintenance of cost records under Section 209(1)(d) of the Act in respect of the nature of business carried on by the Company.

(ix) In respect of statutory dues

(a) The Company is generally regular in depositing the undisputed statutory dues including Provident Fund, Investor education and protection Fund, Income Tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of aforementioned dues were in arrears, as at March 31, 2014 for the period of more than six months from the date they became payable.

(b) As at March 31 2014, according to the records of the company and information an explanations given to us, the following are the particulars of dues on account of Service tax matters that have not been deposited on account of any dispute :

Name of the statute	Nature of dues	Amount (₹ in lakhs)	Period to which the amount relates Various years covering the period	Forum where pending	Subject matters
Finance Act,1994	Service Tax	6243.32	2005-2010	CESTAT, Bangalore	Non-eligibility of Cenvat Credit in respect of Dredger and spare parts but disputed by Company
		728.66	2010-2011	CESTAT, Bangalore	
		318.87	2005-2008	CESTAT, Bangalore	
		206.95	2011-2012	CESTAT, Bangalore	
		19.32	2007-2008	CESTAT, Bangalore	
TOTAL			7517.12		Penalty on account of delay in payment of service tax but disputed by Company

(x) In respect of accumulated losses and cash losses

The Company has no accumulated losses and has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.

(xi) In respect of dues to financial institution / banks / debentures

The company has not defaulted in repayment of dues to financial institutions or banks.

(xii) In respect of loans and advances granted on the basis of security

The company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.

(xiii) In respect of provisions applicable to Chit fund

The Company is not a chit fund or a nidhi or mutual benefit fund / society. Therefore, the provisions of clause 4(xiii) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company.

(xiv) In respect of dealing or trading in shares, securities, debentures and other investment

The company has not been dealing or trading in shares, securities, debentures and other investments. Therefore, the provisions of clause 4(xiv) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company.

(xv) In respect of guarantee given for loans taken by others

The company has not given any guarantee for loans taken by others from banks or financial institutions. Therefore, the provisions of clause 4(xv) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company.

(xvi) In respect of application of term loans

The company has availed External Commercial Borrowings (ECB) term loans during the year for acquisition of Dredgers and the term loans were utilized for the purpose for which they were obtained.

(xvii) In respect of fund used

The company has not raised any funds on short-term basis or long-term basis during the year and therefore, the provisions of clause 4(xvii) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company.

(xviii) In respect of preferential allotment of shares

The company has not made any preferential allotment of shares to parties and companies covered in the register maintained u/s 301 of the Act, during the year.

(xix) In respect of securities created for debentures

The company has not issued any debentures during the year.

(xx) In respect of end use of money raised by public issues

We have verified the end use of money raised by public issue as disclosed in Note to Accounts.

(xxi) In respect of fraud

In our opinion and according to the information and explanations given to us, no fraud on or by the Company has been noticed or reported during the year that causes the financial statements to be materially mis-stated.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF
INDIA UNDER SECTION 619 (4) OF THE COMPANIES ACT, 1956 ON THE
ACCOUNTS OF DREDGING CORPORATION OF INDIA LIMITED,
VISAKHAPATNAM FOR THE YEAR ENDED 31 MARCH 2014**

The preparation of financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended on 31 March 2014 in accordance with the financial reporting framework prescribed under the Companies Act, 1956 is the responsibility of the management of the company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 619 (2) of the Companies Act, 1956 is responsible for expressing opinion on these financial statements under Section 227 of the Companies Act, 1956 based on the independent audit in accordance with the standards on Auditing prescribed by their professional body, the Institute of Chartered Accountants of India. This is stated to have been done by them vide their Audit Report dated 28th May 2014.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 619 (3) (b) of the Companies Act, 1956 of the financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended 31 March 2014. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records. On the basis of my audit, nothing significant has come to my knowledge, which would give rise to any comment upon or supplement to Statutory Auditor's report under Section 619 (4) of the Companies Act, 1956.
