**DCI SECURES Rs. 30.76 Cr. CONTRACT FOR DREDGING OF NAVAL SITES AT
MUMBAI THROUGH COMPETITIVE BIDDING**

Indian Navy has invited global tenders for Maintenance Dredging of Naval Sites at Mumbai Port for the year 2018-19. DCI participated in the bidding process and stood as the lowest bidder with Rs. 30.76 Crores, thereby successfully bagging the work in its order book for next year. The Dredging at Naval Sites at Mumbai Port is to be carried out by Deploying DCI Dredgers.

DCI was one among many International Dredging companies which have participated in the tender and successfully bagged the contract out of stiff competition.
