DCIL organises innovative Training programme titled THINK

An innovative employee motivational training programme titled “THINK”, was organised at the Head Office of Dredging Corporation of India Limited (DCIL). The programme was conducted by Dr. P K Sethi, Joint General Manager (HSE).

Under the inspiring guidance of its Chairman and Managing Director Shri. Rajesh Tripathi, DCIL is planning to conduct more such programmes in future to boost the morale of its employees and place them in a mission mode to face any new challenge thrown by the industry in future. All the Heads of the Department and employees participated in the programme.
